

Steve Goreham

New Lenox, IL USA
815-462-8924

Speaker/Author/Researcher **Environment, Business, and Public Policy**

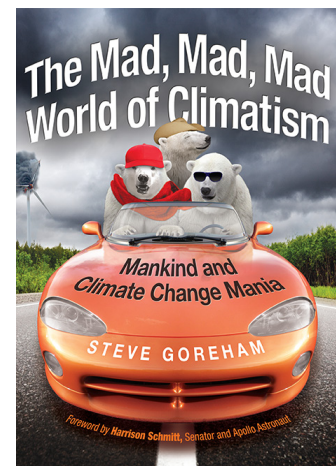

Informative and engaging speaker, delivering compelling and provocative programs to businesses, universities, and diverse organizations. Effective communicator in the board room, lecture hall, and on the debate panel regarding the environment, sustainable development, economic trends, energy, climate change, and corporate environmental policy. Executive Director of the Climate Science Coalition, an independent, non-political association of scientists, engineers, energy experts, and concerned citizens focused on informing citizens about the realities of climate science and energy economics.
