Introduction	1

PART I GLOBAL WARMING ALARMISM DEBUNKED

Chapter 1	A Tsunami for Global Warming Alarmism	7
	Three Climatist Prophets of Doom ~ Eight “Disasters” of Global Warming ~ Media Cheerleaders ~ The Consensus Appears Unanimous ~ The Global Delusion	
Chapter 2	The Thin Science for Man-Made Global Warming	19
	Energy Balance and Weather ~ Early Research on Carbon Dioxide ~ The Simple Greenhouse Effect ~ Increasing CO ₂ and Temperature ~ A Closer Look at Temperatures ~ Global Warming Dogma ~ Rise of the Climate Models ~ The Vostok Ice Cores ~ Thin Science for Man-made Global Warming	
Chapter 3	Carbon Dioxide: Not Guilty	39
	Carbon Dioxide—A Trace Gas ~ The Carbon Cycle ~ Carbon Dioxide Is Great for Plants ~ The Core Issue: The Greenhouse Effect ~ Carbon Dioxide Greenhouse Impacts ~ It's All About the Feedback ~ Garbage In, Garbage Out	
Chapter 4	Climate Change Is Continuous	59
	Our Climate Is Dominated by Cycles ~ Long Term: The Milankovitch Cycles ~ Measurement of Past Temperatures ~	

The Medieval Warm Period and Little Ice Age ~ Medium Term:
The 1500-Year Cycle ~ Short Term Cycles: El Niño, PDO, and
AMO ~ Natural Cycles Explain Global Warming

Chapter 5 The Sun Is Our Climate Driver 79

Evidence Points to the Sun ~ The Link between Cosmic Rays
and the Sun ~ New Evidence: Solar Activity Affects Clouds ~
Nature Is Not Cooperating ~ Headed for Global Cooling?

Chapter 6 Global Warming Disasters Debunked 99

Icecap Melting Causes Sea Level Rise ~ An Increase in Reported
Natural Disasters ~ Devastation from Hurricanes and Storms ~
Famine from Droughts and Floods ~ Increase in Temperature-
Related Deaths ~ The Polar Bear and Species Extinction ~
Melting Glaciers and Water Shortages ~ Coral and Acidification
of the Oceans ~ Gulf Stream Shut Down and New Ice Age

PART II
CLIMATISM AND “SNAKE OIL” REMEDIES

Chapter 7 The IPCC and the Road to World Delusion 137

United Nations and Environmental Activism ~ Ozone Hole and
Montreal Protocol ~ Theatrics in the Summer of 1988 ~ The
IPCC Gathers a Host of Support ~ Score Decided before the
Game Was Played ~ 1992 Earth Summit and the FCCC ~
Increasing “Certainty” of IPCC Reports ~ Re-writing History
with the Mann Curve ~ Consensus Science from the IPCC ~
The Kyoto Treaty: Lesson in Futility ~ Alarming IPCC
Temperature Forecasts

Chapter 8 Climatism: The Ideology behind Global Warming
 Alarmism 161

Malthus and the Roots of Climatism ~ The New Malthusians
Adopt Climatism ~ The Improving State of the World ~ The
Environment and Kuznets Curves

Chapter 14	Chains for the Developing Nations	293
	China and India: The Dilemma of Climatism ~ Developing Nations in Dire Need of Energy ~ Past Chain: Tragedy of the DDT Ban ~ Renewable Fantasy for Developing Nations ~ Stranglehold on Global Capital ~ Bribes for Developing Nations ~ Spectre of Climate Protectionism	
Chapter 15	Climatism in Action: Debacles around the World	317
	“Enlightened” City of Austin, Texas ~ Renewable Debacle in Spain ~ Renewables Fall Short in Philippines ~ The Sorrow of Denmark ~ California: A Blizzard of Climate Regulations ~ The U.K.: Many Sacrifices for Illusory Benefits ~ The European Emissions Trading Circus	
Chapter 16	Energy Nonsense for the Good Old U.S.A.	347
	False Claim #1: Independence from Foreign Oil ~ False Claim #2: Growth and Green Jobs ~ False Claim #3: Minimal Cost ~ False Claim #4: 20% Renewables Possible by 2020 ~ Foolishness of U.S. Energy Policy ~ Road to Blackout Paradise? ~ Climatist Demands of the U.S.	
Chapter 17	Common Sense and the Future	379
	We Can No Longer Control the Seas ~ What’s All the Concern About? ~ Good News from Realistic Climate Science ~ The Bad News is Climatism Itself ~ Common Sense for the 21 st Century ~ Trends for the Future ~ Some Things You Can Do ~ A Final Note: The P-38 “Glacier Girl”
